## Note From the Chief: Cannon Herring

Good evening Brothers of The Order of The Arrow. We have just completed our 2022 Cornerstone Conclave with great success! We all had a great time and our LEC helped us exceed expectations in any and all events.

Owen Baquiran, Skyuka's Vice Chief of American Indian Affairs, helped organize a team of individuals to perform ceremonial events at the conclave. Everyone did great, and we got to showcase our new medallions to all of SR5. Dylan Blackmon, Skyuka Lodges Secretary, made an eye-catching display to put up at the mess hall. It covered all of Skyuka Lodge's history, plus having a twist of our Back to the Future theme involved. Every judge seemed to love it. Finally, John Dunn, Skyuka's Vice Chief of Program, set the bar high for all other lodges within the games side of things. He and many others helped Skyuka tie for 1st place in Quest for The Golden Arrow.

Overall a great performance from our members helping in games. Overall it was an outstanding event. Everybody had a great time, and we defiantly made it known that Skyuka will be the best at everything we do. I thank everyone who came out to the event, and I hope that if you weren't there, you come out next year. Have a great rest of your day.

## Lodge Adviser's Corner by Jimmy Summers

Skyuka Lodge is off to an amazing start in 2022! Unit elections are in full swing, we had a great time of learning and fellowship in February at Lodge Leadership Development and the Lodge Banquet, and we are fresh off of an outstanding Section Conclave -- at which we were one of the largest contingents, and we brought home the Quest for the Golden Arrow championship for the first time since 2018. Spring Fellowship will see many Ordeal members seal their membership in the Lodge through Brotherhood conversion, and many Ordeal candidates will go through the Ordeal. We will provide much needed service to GOLDS during the weekend. Skyuka Lodge is growing and providing much service to support Scouting in Palmetto Council, and we have tremendous youth leaders and advisors. I can't wait to see how much better 2022 will get!
