# 100% Brotherhood Conversion

The objective of this program is to recognize those Troops that have attained 100% Brotherhood conversion in their Troop over a period of one calendar year.

## *Requirements:*

- The Troop must have all of their Ordeals that are eligible for the Brotherhood honor during a calendar year complete it before the end of the calendar year.
- If the Troop does not make the conversion by the deadline (Fall Fellowship), they will have to start over with the new eligible Ordeal members in the next calendar year. This must also include the ones that did not receive the honor the year before.
- Upon the completion of the 100% conversion requirements and certification by the Lodge Secretary using the 100% Brotherhood Conversion form, the Lodge will give all of the Brotherhood and Vigil *dues paid* members in that Troop a chance to purchase one (1) limited edition pocket flap each, while supplies last.
- If the Troop receives the 100% conversion again the next year, then only the new Brotherhood members for that year will be able to purchase a limited-edition pocket flap (one each), while supplies last.
- The limited edition flap will be only be sold to a person once, and the flap can be considered a one per lifetime item. If a Lodge member is an at-large member of the Council, then they must take an active part in working with a Troop to get all members of that Troop to Brotherhood. Only one council at-large member per Troop.
