## VICE CHIEF OF AIA

**AIA had a great time at Dixie and thanks everyone for the help. We competed in the Pre-ordeal ceremony it did not go how we wanted it but it was a learning opportunity. We also had people dance and one person who placed. We are very happy about the direction we are heading and have some new ideas for the future. We are excited about Spring Fellowship coming up in a couple weeks and welcoming new brothers to the lodge and also seeing all the old brothers.**

# NOAC 2018

Brothers,

We have a few spots still available for delegates to attend the 2018 National Order of the Arrow Conference. We have recently received notification from National that we are authorized to convert these spots previously available only to youth to youth or adult spots. That being said, if you or someone you know is interested in attending the 2018 NOAC, please see either Cole Taylor or Creighton Taylor before departing this weekend. Following Spring Fellowship, unclaimed spots will be returned to National. We thank you for your continued support of our contingent and look forward to the conference in just a few short months.

Yours in Brotherhood,

## Cole Taylor

Brothers,

What a month it has been! Not only did we host the Dixie Fellowship, we won the Golden Arrow! Hosting Dixie is usually such a huge strain on a Lodge that it makes it hard to focus on competing. However, we blew that expectation out of the water this year! I would like to thank Alex Summers and Richard Cash. Some of y'all may not know it, but they have been planning and organizing Dixie for the past year. Without their dedication and service to our Lodge, this year's Dixie wouldn't have been the great success that it was.

Next up we have Spring Fellowship. At Spring we will be setting up camp for the 2018 season of CBH. We will also be holding two Ordeals. One for Brotherhood and one for those elected into the order last year. We will also be looking back at Dixie and recognizing those who showed terrific service during the weekend. It will be a blast! So be sure to mark your calendar's for May 18th – 20th at CBH!

So once again, thank you. Thank you to everyone who helped make this Dixie as successful as it was. Skyuka's Dixie will go down in history as the best Dixie ever!

Yours In Brotherhood,

## Addison Fox
