**Motion by Cannon to have Back to the Future the Conclave theme Seconded by Owen**

**Discussion:** Jonathan and Will have brought to us the Back to the Future theme for Conclave (the movies). We would be opening up to the lodge to create designs and then approve the designs at the

Banquet. Each movie had different themes, the 50s, 2015, Wild West. Let the lodge dress up from each movie/ time period. 3 different patches from each time period.

**Motion passes 0-8**

**Motion by Ian to discuss and Approve the banquet budget Seconded by NA**

**Discussion:**

\$1500 -\$2500 is the rough budget outline. Talking with Mrs. Stoner it would be moved to \$15 ahead to cut down on net loss, food, and award prices. LLD will be hosted by Spartan at GOLS. If not enough space is available, then we would use the Fellowship Hall at the church. Approval has already been given to move over there. BBQ would be the food option from Little Pigs which is a BBQ place in Spartanburg. Decorations are going to be the Conclave theme back to the Future.

**Motion passes 0-8**

**LLD**

LLD is on track, the same budget as last year, \$5 a person, \$1.50 of that will go to patches. The other \$3.50 is split between the contingency fee and food. 100 patches will be made (one per person, the rest will be sold through the event) The lunch will still be pizza. Trainers will be emailed, working on two different tracks - One track for older Arrowmen another track will be for younger/ newer Arrowmen Schedules would come out in the next few weeks, Pizza will be the food. Older track Arrowmen- ways to get involved Newer track Arrowmen- introduction to what the Lodge is. Chris T. wants to get the trading post committee up again.

**NOAC**

NOAC is officially this year, and will still begin selling older patches. Theme Patches should be here before the Banquet. Pink Floyd Patches only cost National, contingency fee will be \$625. a \$100 deposit is due at the banquet. The final payment will be due May 23.

**Elections:**

Trying to get elections done before spring camporee. They would start right after LLD.

**Motion by Cole to approve the finance for the Lodge App Seconded by Cannon**

The lodge app is set to be the mobile platform for the lodge. It will be an app on your phone that will allow you to see what is going on during an event. The skeleton of the app has been created, yearly

\$3-\$5 dollars per development platform. \$100 fee (Apple) One time \$25 fee for Android. \$150-\$200 per year total. Will be paid yearly.

**Motion passes 0-8**

**Motion by Cole to move website to WIX instead of WordPress seconded by Dylan**

**Discussion:**

The website is 90-95% updated to be more modern, using WIX instead of WordPress. The cost of the website would be about \$23 a month. (Doesn't help with the domain since we already have one.) (Business basic plan.) Get done with any fine details by April 1st.

**Motion passes 0-8**
