Note from the Chief

Hello brothers, I hope you all had an amazing time at our Spring Fellowship. Overall, Spring Fellowship was a great success. From a program perspective we had a great set of projects and games for our new and old brothers. On the AIA side of things our ceremonies teams did a great job, probably some of the best we have had in recent events. Our inductions team did a great job with both their ordeal candidates and brotherhood conversions, with a total of 27 new ordeals and 25 new brotherhood members. I hope you had as much fun as I did, and I can't wait to see you at Summer!

Camp Bob Hardin

Camp Bob Hardin, as new people come into the Lodge, it is only right that the story of Camp Bob Hardin lives on. As most old Brothers know, Bob Hardin was Skyuka’s home until the heavens released all of its might during Spring Fellowship 2018. The camp has been closed permanently since then, and Skyuka has been tasked to find a new home. Thankfully, GOLS has been our home for the past year and years to come.

Vigil and Brotherhood and Ordeal

Congrats to the newly awarded Brotherhoods and Ordeals. And a special congratulations to the newest Vigil Honor member, Zachary Goodwin! We had 26 Ordeals and 28 Brotherhoods.

LEADER SPOTLIGHT: JOHN DUNN VICE- CHIEF OF PROGRAM

My name is John Dunn. I've been serving the lodge for the past 7 years in many shapes and forms, most recently being my appointment to VCP of the lodge. This has come with a plethora of responsibilities, such as managing projects and games at the events. While I believe I was left with an amazing system, I believe there is a lot of room for improvement, so in my first term as VCP I will strive to build better cohesion and committees to properly execute all the required tasks with maximum efficiency. I will begin to implement more and more games, while still balancing projects

Interview with an Old Brother:

Aidan Hayes

We asked Aidan Hayes about his scouting career and this is what he said:

Aidan Hayes started his Scouting experience back in 2011 as a Cub Scout, then in 2016 he joined Boy Scouts. Scouting is important to him because it gives good life skills and even better friends. His favorite campout he's gone on are any of the Christmas ones. Aidan joined the OA back in 2019 and got his Brotherhood at Spring Fellowship in 2021. His favorite OA memory is the first time he wore regalia for an Eagle ceremony and absolutely nothing going correctly.

Lodge Adviser's Minutes by Jimmy Summers

Thank you to everyone who made Spring Fellowship 2022 a big success! We had 26 Ordeal candidates complete the Ordeal and join the Lodge, we had 28 Brotherhood candidates seal their membership in the OA during the weekend, and we had 1 Vigil candidate complete the Vigil. We also completed several important service projects for GOLs, and I think everyone had a great time! (And there was no rain) As the OA elections finish up across the Council, we start to set our sites on the summer. NOAC at the end of July (and we have a great contingent going), and Summer Ordeal at GOLs on August 5-7, during which we will have additional big groups of Ordeals and Brotherhood candidates. The LEC is already starting to plan all phases of Summer Ordeal, including program, ceremonies, inductions, games, and much more. Registration for Summer Ordeal is open at the Council website - so sign up today! And we are starting to plan for the Cub Scout Shoot- O- Ree in late September and early October, which Skyuka Lodge puts on for the new and existing Cub Scouts and their families. There is a lot going on, and there is a place for every Lodge member to serve. Those who chose you need you!
