- Please come to Conclave!
  - Tell your friends to go to Conclave!

## Lodge Adviser Minute

- First, thank you everybody for coming this weekend. We accomplished several different things. We successfully completed our projects. That was one of the main points of coming here to do this. Not a typical event, it was the first time we did Lodge Games

overnight. I think we got a lot of plans coming out of this weekend. The first time we got a chance to sit down face to face and discuss things to achieve and differences we can make. We finetuned the council camporee. Overall, it was a good weekend. Thank you to the cooking team, it was good. For the Lodge Games flap, thanks to everybody who pitched in, it was a sell out, so successful. All that money went to a better experience that we will have at Conclave.

## Staff Adviser Minute

- Everybody knows Taylor Thomas has left our staff but not our presence. Everything that you would send to Taylor please send to me.

## Lodge Chief Minute

- Go to Conclave!
